Subject: Notice of File Closure and Release of Reclamation Surety, Energy Fuels Resources (USA), Pine Ridge Mine, S/037/0120, San Juan County, Utah

Dear Mr. White:

The referenced Notice of Intention to Conduct Small Mining Operations, located in San Juan County, Utah, will now be closed and the file retired.

The site was inspected on July 28, 2015, and it was determined by both the Division and the U. S. Forest Service that reclamation has been satisfactorily completed.

Please find enclosed your original reclamation contract for your disposal or records.

The Division hereby releases you from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a Notice of Intention and reclamation surety to the Division and gain approval from any other appropriate agencies.

Please contact Mike Bradley at 801-538-5332 or me at 801-538-5261 if you have any questions or concerns regarding this action. Thank you for your cooperation.

Sincerely,

Paul B. Baker  
Minerals Program Manager
